

- |                                |                               |
|--------------------------------|-------------------------------|
| 1. Argeton tile plate          | 8. Spring profile             |
| 2. Clip                        | 9. Sheet                      |
| 3. Aluminium profile, vertical | 10. Sheet, canted             |
| 4. Aluminium cleat             | 11. Corner profile            |
| 5. Thermal separation          | 12. Plaster                   |
| 6. Insulation                  | 13. Drainage abutment profile |
| 7. Junction profile            |                               |

**Notes**

The details shown are simplified technical suggestions. The planning and realisation of the facade design are carried out building-specifically and in particular cases are to be adapted to the country building codes and guidelines.
